BALANCE TRANSFER PROMOTIONAL OFFER: The promotional 3.90% annual interest rate for balance transfers is valid for 6 months from the date of each balance transfer. In order to qualify for the promotion, Promo Code 001 must be entered on the balance transfer screen in MyCardInfo or when calling Cardholder Services. After 6 months, the annual interest rate will revert to the annual interest rate for regular purchases. The introductory balance transfer rate must be used within the first 90 days of account opening during the promotional period. This offer may be withdrawn or end at any time without prior notice. Account credits on a credit card account cannot be transferred as a balance transfer to a Collabria credit card. This promotional offer does not apply to transfers between Collabria accounts. Please continue to make your regular payments on transferred accounts until you receive confirmation that the transfer has been completed. In order to receive the promotional 3.90% annual interest rate for balance transfers, a minimum transfer amount of \$500 is required and you can transfer as many balances as your credit card limit allows within 90 days of account opening, as long as each transfer is \$500 or more. Review all Terms and Conditions for complete details. *To identify a Collabria-issued credit card, please check the credit card back; the issuer (Collabria) is always stated on the back bottom left corner. If the credit card issuer is listed as Collabria, this card is not eligible for a balance transfer to another Collabria-issued credit card.
